How to find us through 656 Great South Road Ellerslie

Entrance to the Business centre

You should use Parkable or ParkMate to find available parks in the complex.

There is free 90mins parking in two non-reserved areas, closest is in front of the Central Kitchen Café, the other is underground below The Green. Both parks are accessible through Park Ave. For those parks you need to use the Parkmate app or the machine near the parking sites even for the free period.
